**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic CEO and Co-founder Dane Jasper has been at the forefront of the effort to stop the USTelecom petition and save competition. If passed, this petition would dismantle critical components of the 1996 Telecommunications Act, disabling competition and eradicating consumer choice. The 96 Act promotes competition, enabling fiber deployment and offering better service options for consumers.

I want to add my voice in letting the FCC know that I oppose the USTelecom petition. Approving the USTelecom petition would be a huge step backwards for competition and for consumers.
